Kings Report Convention

Representing the Weekly Press At the Cow Palace

Solid American Foundations Will Give Goldwater Victory In Nov.

San Francisco, a magic city to Republicans this July, 1964. And, almost as if she were aware of it, being as enchanting as possible, too. Bright and sunny, warm and windy, cloudy and foggy in turn, all to delight the heart of a Southern Californian, San Francisco played her role to the fullest. Even the yellow billboards proclaiming "President Scranton" failed to daunt her—or the Goldwater boosters. Not even the wind, heaven-sent or man-made—and there was a lot of both—could any more than muffle her serenity.

As we walked from the car to the hotel to pick up our credentials and to dinner, we were impressed by many things: the numbers of people, most of whom were wearing Goldwater buttons of one sort or another or press or delegate badges (there were some things like 1,308 delegates, the same number of alter-nates and 6,000 press people); the numbers of young people working in both the Scranton and Goldwater campaigns; the noise of the Scranton campaign as the youngsters rode through the city on cable car bodies mounted on truck chassis chanting "Bill will," "Vote for Scranton," etc. From the snatches of conversation heard as you passed on the street, everyone had politics—mostly Goldwater—on his tongue.

Since we had only one ticket to the Cow Palace, we rotated turns to those proceedings. Dick went to the opening session, I to the second. He had the good

fortune to hear Eisenhower, Nixon, etc.; I was delighted to be so lucky as to be able to attend the nominating session Wednesday. True, the nominating speeches were long, and three and four seconds did seem like a lot, but it was exciting. The heavy drama from the speakers' platform was somewhat alleviated by the lesser dramas going on around us—Margaret Chase Smith waving roses like a school cheerleader (she sat in front of us, is actually very attractive and gracious); Mrs. Goldwater, to our right, watching, turning occasionally to talk with her daughters or sons. Across the way, the Scranton family and cheering section sometimes whooping it up. And, on the floor, the demonstrations for the candidates, most of them with the same people and all of them with the signs, "Cleveland in 1968," bouncing through. Fortunately, the anti-mac drama outside, the CORE demonstration, was relatively quiet. We passed several groups of 2-3 persons, mostly just standing quietly but alert; mostly dirty, unshaven, unwashed, hair uncombed. I did overhear one say flatly, "I could shoot him," but there was no disorder at that area. Around the perimeter of those leaving the Cow Palace were lines of marchers singing, but not bothering anyone.

Incidentally, this reporting is hard work. We began each day trudging into weekly press headquarters to pick up the day's schedule, looking it over and trotting off to the caucuses which sounded as if they would yield the most information. Most of them were late in beginning, or had been postponed, so we trudged 3-4 blocks to the next event on our list. Fortunately, we began each day with a good breakfast (thanks are certainly due to the warm-hearted and wonderful lady who took us under her wing) as the rest of our meals were somewhat haphazard. It didn't seem to matter much, however; one cup of San Francisco coffee and you were on your feet with a sort of feeling that you were being pushed along. After all the trotting, there comes the sitting during the sessions, and the write-ups.

It is not without interest, however; and you do meet the most interesting people. Like the Ph.D. from Eton who had gone to school with Barry Goldwater; the editor from another paper who thinks that we must change the name "Cow Palace" if we are going to hold conventions there; and the lady California delegate at the Mark, who assured us that either we'll have to develop bigger busts to hold all these convention buttons or smaller buttons to fit onto present bossoms. Vive la bust!

While the liberals are struggling to their feet after the shellacking they took at San Francisco, it may well be apropos to reflect on the events that took place at the Republican National Convention, and to indulge in some speculation on the approaching presidential campaign. Certainty in politics is a rarity, yet it was present in Senator Goldwater's nomination. The majority of the press, radio and TV would have had us believing otherwise, but every attempt by the liberal forces to alter the situation only served to demonstrate the Senator's impregnable position. The

ABC Hears A Darling

by Henry V. Witt

Alliance For Better Community (ABC) presented its speaker last Tuesday evening, the president of the California State Board of Education, Mr. Thomas Braden.

As has been reported, Mr. Braden has written for the socialistically inclined Saturday Review and Look Magazine. His contribution to Look magazine appeared in the latter part of 1963 and was entitled, "I was the Target of a Hate Campaign."

It is my feeling that in this spasm of twisted, journalistic emotionalism, the president of the State Board of Education listed his alleged "Chamber of political horrors." This listing included the John Birch Society, the Liberty Torch Bearers, the Keep America Committee, the California Committee to Combat Communism, the American Birthright Committee, the Citizens for Moral Action and the Network of Patriotic Letter Writers, all patriotic, anti-communistic organizations.

It will always be a mystery to me why Mr. Braden conveniently failed to mention the true chamber of

3-Day Series

Little League Baseball All-Star Play Offs Slated

Sierra Madre takes on a "World Series" atmosphere Thursday as Little League baseball teams from Sierra Madre and surrounding communities begin their tournament play-offs at Heasley Field.

Kick-off game in the 3-day series will be Sierra Madre vs. San Marino, with opening game ceremonies beginning at 5:25 p.m. on Thursday. At the same time on Friday afternoon Pasadena American takes on Hastings Ranch and the two day's champs will clash on Saturday the 25th for the area crown. Saturday's title bout starts at 5:25.

Tournament Director Bert Embree states that Heasley Field has undergone a complete grooming for these championship events—thanks to the efforts of many team managers and fathers who have devoted untold evenings and weekends in preparation for the play-offs. "With the exception of more seats, Dodger Stadium hasn't a thing on us," Embree added.

MESSRS. HARRISON R. BAKER Sr. and Jr., builders of the Hastings Oaks Garden Apartments.

44 Units In Secluded Grandeur

Hastings Oak Garden Apts. Completion Date August 1

A completion date of August 1, has been set for Hastings Oaks Garden Apartments, 700 W. Sierra Madre Boulevard, Sierra Madre, stated builders Messrs. Baker and Marlow.

Designed by Nyberg, Bissner and Burns, AIA, this three quarter of a million dollar project includes 44 one, two and three bedroom, some studio, apartments and is spread over two acres. Grade levels have been terraced below the main sidewalk, ancient shade trees preserved, verdant foliage, fountain, reflection pool, sunken garden

and subdued outdoor lighting added to enhance the area and give the buildings an air of secluded grandeur. Shake roofs, Bouquet Can—Please turn to Page 13

UROC Sponsoring Dr. del Junco

UROC invites all Sierra Madreans and their friends to an eye witness visit to Castro's Cuba, led by Dr. Tierso del Junco, Cuban physician.

Dr. del Junco attended the University of Havana with Castro, has friends and relatives presently living in Cuba. He will give a first hand account of the situation there from the Cuban, not the Communist, point of view. Dr. del Junco is extremely knowledgeable on this subject, and is a very interesting speaker.

Dr. del Junco will speak at the Woman's Club at 8 p.m. on Thursday, July 23. Everyone is welcome.

James Irwin On USS Estes

James P. Irwin, seaman, USN, son of Mr. and Mrs. W. R. Irwin of 359 Grove St., Sierra Madre, Calif., is a crew member of the amphibious command ship USS Estes, operating out of San Diego, Calif.

Estes is equipped to direct sea assault landings as well as its supporting elements.

Activities Of Fire Department

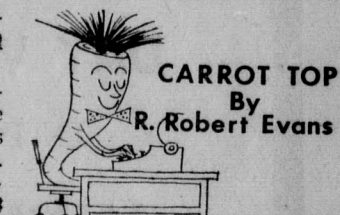

Service on a Volunteer Fire Department, like Sierra Madre's, requires the willingness and ability of a person to give up leisure time and respond to their fellow citizens' call for help at any hour of the day or night.

Compensation in the monetary sense of the word is almost nil. In Sierra Madre, each member receives a small salary from the city each month, but out of this come dues, insurance and fines for missing fires and drills. Dress uniforms are paid for by the members, but work uniforms are bought by the city. Calls that are responded to after 9 p.m. and before 6 a.m. bring a small extra sum from the city. No man in the department because he thinks it's a moneymaking proposition, but they do have the great satisfaction of serving their fellow Sierra Madreans in time of need.

Drills and business meetings are held each second and fourth Friday of the month at the station in the City Hall. Drill time is spent in some phase of fire fighting. During business meetings, items pertaining to the department are discussed and passed upon by the members present.

Among the activities of the local Fire Department is the Christmas Dance that is held every year just before Christmas. The money raised at the dance is used to put on the annual Christmas

I just finished my vacation for the year... It was almost over before it started, but I did enjoy every minute of it, and only wish it could happen every week or so.

—CT—
Peggy left Sierra Madre on Friday, July 10 via United Air Lines for ten days in Portland, Oregon... Rest was the main object, after her ten days in the hospital and four weeks of trying to recuperate.

—CT—
Yours truly, followed her on July 17, spending Friday, Saturday and Sunday in the land of the big pines, renewing old acquaintances was really a diversion away from the publishing of a newspaper.

—CT—
On the way back we spent several hours in a lay-over in Frisco, to see just how bad the Republican Convention left the bay city, and I'll say here I am happy that I had no part in the fracas, of course Dick King and his good wife had experiences that they will remember the rest of their lives, and you will probably be hearing about them as the days go ahead.

—CT—
John Erickson, jokingly, he said, made the remark the other day that yours truly was a member of the John Birch Society. Jokingly or not, no one should make such remarks unless they have grounds to back them up, and this one certainly received my full attention.

—CT—
John now knows, in no uncertain terms, that I AM NOT, and I doubt that I ever will be a member of the John Birch Society.

—CT—
It certainly is not that I do not believe the Society is fighting for the freedom of the American people, the reason that I will never be a member is that I feel that I cannot represent all of the people in a controversial subject if I am a member of one side of the situation.

—CT—
I have said many times before and I repeat here, some of the best friends that I have are members of the John Birch Society, and they do not try to keep their identity a secret as charged.

—CT—
Further, it was stated that I had lost the respect of the Democratic Party in and around Sierra Madre... This may be true, but it is not the fact that I allowed the John Birch Society to have their little say each week that caused me to lose the respect of the Democrats.

—CT—
I lost this respect the first week that I was in Sierra Madre, and since I am a died in the wool Republican—Please turn to Page 11

PICTURED IS THE choosing of the three lucky persons that purchased "signature cards" in the campaign waged by three Sierra Madre merchants, Don Jackson, Lisette, and Royal Drugs to raise donations for the Sierra Madre Search and Rescue Team. Helping with the choosing and judging of the signature cards are Susan Rempel of Park Ave., Lester Anthony and Bill Wark.

Merchants Announce Winners

Following the recent drive by the Sierra Madre News to raise funds for the Search and Rescue Team, three local merchants, wanting to assure the Team of even more financial security for a whole year, devised an unusual plan to obtain money.

Don Jackson's Men's Wear, Lisette Women's Wear and the Royal Drug Store all got together and decided to offer \$300 worth of free merchandise to the lucky person whose signature was judged to be the most sincere, outstanding and authentic on their ticket stub.

The final decision of the judges was made last Saturday, July 18, at Lisette Women's Wear, and the winners were announced. Greg Nuetzel of 197 W. Mariposa won a \$150 suit from Don Jackson's Men's Wear, and Susie Cogle of 210 Mariposa won the \$50 worth of cosmetics from Royal Drug Store. The lucky winner of the \$100 wardrobe from Lisette was Ray Mecca of Reno, Nev. Ray is the Ralph Hurwitz's son-in-law and had signed his ticket while visiting them in Sierra Madre.

Unfortunately, this campaign wasn't as successful as these three very worthy merchants had hoped that it would be, but the Search and Rescue Team is certainly grateful for their efforts, and every cent contributed will be put to the best of use in keeping this group of dedicated men equipped for their rescue work.

Grove Lane Must Be Widened

D'Arcy Chairman; Emerson Vice-Chair., Planning Comm.

The Sierra Madre Planning Commission came to the end of another year at their regular meeting, Thursday, July 16, with Chairman Casey opening the meeting and Commissioners DeWright, Couchman, Hartman, D'Arcy, Emerson in their respective chairs. Also in attendance was Assistant City Engineer, Larry Adams, City Attorney Martin, and representative from the City Council, Ralph Rule.

Following roll call and approval of minutes of the last meeting, Chairman Casey introduced Robert Poolman, the new Commissioner, and reminded the Planning Commissioners that it was that time of year to select a new chairman, and vice chairman.

Commissioner Couchman nominated Commissioner D'Arcy for chairman. Commissioner DeWright seconded the nomination. Mr. D'Arcy was elected unanimously as chairman of the Planning Commission for the ensuing year.

At this point the new chairman took over the gavel and opened the nomination for vice chairman. Commissioner DeWright nominated Commissioner Emerson and he too was elected unanimously.

The first item of business to come before the new chairman was a public hearing on the precise plan for widening Grove Lane. This is a 15-foot wide lane, with a good deal of potential development, the Planning Commission feels that

before any further development of this area is pursued the lane should be widened to accommodate the increase of traffic that is inevitable.

City Attorney Martin gave three methods in which this Lane could be widened: 1. to condemn the land needed, and to pay for it out of General Funds; 2. form districts and let each district pay; 3. The dedication of the ground to the city.

After quite a bit of discussion and one interested person participating from the audience, the Planning Commission moved and seconded the motion that the Precise Plan before the Planning Commission be adopted and sent to the City Council, no action was taken on how the Precise

488 Per Day On Sunnyside; 'Yield' Asks Council

Traffic Study Shows 11,185 Cars Per Day On S. M. Boulevard

The Traffic Study given to the City Council, prior to their meeting of July 14 by the Police Department, showed that by using various methods of professional guidelines, stop signs and crosswalks were not recommended at the corner of Sunnyside and Sierra Madre Boulevard.

Since the Council was presented a signed petition by 440 residents of Sierra Madre requesting same, the proposition was returned to the Police Department and the Council asked them to "Yield" to the desires of the petition signers, and the City Attorney instructed to bring in an Ordinance to make the decision final when adopted, and could become effective before the start of the fall term of school.

The following is very interesting information taken from the report by the Police Department to the Council, and given to you for future guide lines into traffic control study:

On June 9, 1964, a fatal traffic accident occurred in Sierra Madre on West Sierra Madre Blvd. at Sunnyside (Moving Vehicle - Pedestrian). As a result, a traffic study was instituted on June 10, 1964 to determine if an engineering and/or traffic control problem existed at that location.

Research was also instituted in area of "marked" Pedestrian-Cross Walks in an effort to establish some criteria or "guide lines" to use in determining where "marked" pedestrian cross walks should be placed.

The following are comments from traffic planning manual California State Highway Department relative to "Marked Crosswalks":

Part 8, Page 8-503.3A (1-1-1962).
(3) (a) The total vehicu-

lar volume entering the intersection from all approaches must average at least 500 vehicles per hour for any eight hours of an average day, and

(b) The combined vehicular and pedestrian volume from the minor street or highway must average at least 200 units per hour for the same eight hours with an average delay to minor street vehicular traffic of at least 30 seconds per vehicle during the maximum hour.

... 4-way stops should not generally be used unless the volume of traffic on the intersecting roads is about equal.

The hazard may be increased by stopping high speed traffic at unexpected locations.

Because of the delay to all traffic entering the intersection, 4-way stops should be used sparingly and with discretion.

Indiscriminate placement of STOP signs at random locations will develop disrespect in the minds of motorists for this important traffic control device and increase violations.

This sign is not suitable where pedestrian traffic is seasonal or scattered as it is disregarded by motorists and gives pedestrians, particularly children, a false sense of security.

It was decided to conduct Pedestrian Crosswalk Studies at West Sierra Madre Blvd. and Sunnyside.

The traffic counter was placed on Sierra Madre Blvd. to determine peak traffic periods. From these findings, Pedestrian Cross-

walk Studies were conducted at the two peak traffic periods during a 24 hour day, which were determined to be between 4:25 p.m. and 5:30 p.m., and 7 a.m. to 8:15 a.m. These studies were conducted by Mr. Larry Adams, Assistant Engineer, and the Chief of Police. It was necessary to use the radar in determining approach speeds.

It may be noted that in both studies the compila-

Assess — Not Tax — Says Watson

Watson Defends Position Against Some Supervisors

The following is the statement of Philip E. Watson, Los Angeles County Assessor at a meeting with the Board of Supervisors July 14:

"I would like to address my remarks this morning not only to you gentlemen, but also to the taxpayers of this County who must by now be confused by some of the irresponsible statements made by some Board members last week.

"Last month, the Board of Supervisors asked me for an estimate on the 1964 assessment roll. I told them it appeared that we might have an unexpected increase in the roll.

"However, at the same time I warned this Board that this was a speculative estimate based on incomplete calculations and that our final figures might show no increase at all.

"I also cautioned that the possible increase should not be counted on in deciding the size of the budget or announcing a tax rate.

"Apparently the Super-

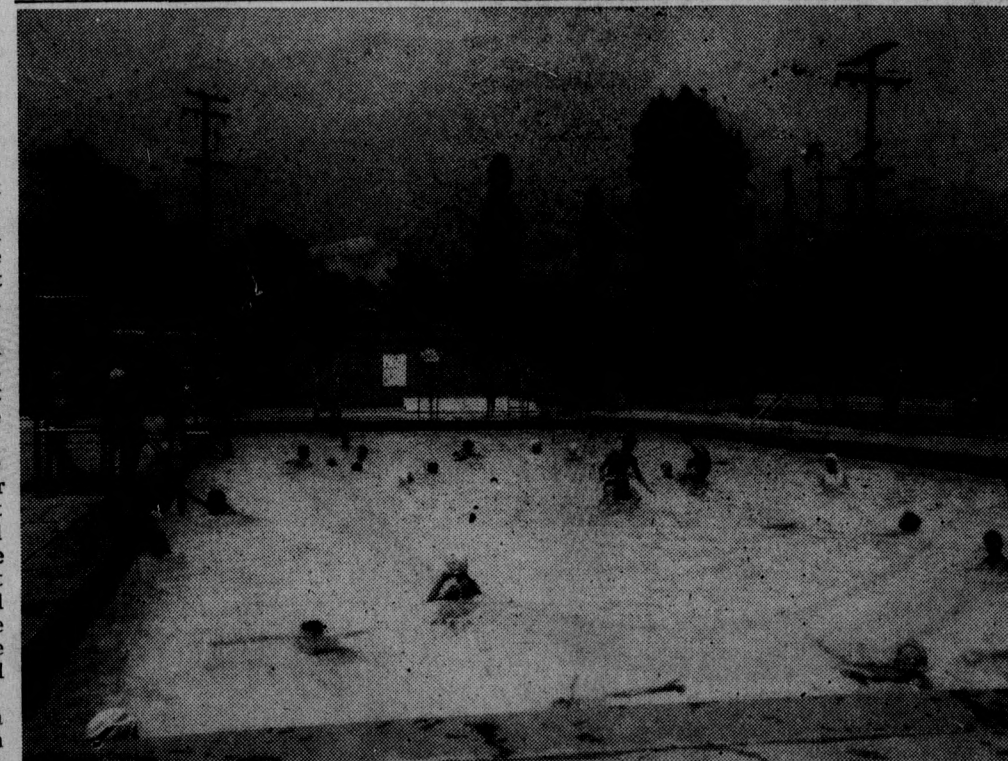

visors listened to part of what I said and ignored the rest. Incredible as it may seem, they built their budget and announced their tax rate on this preliminary estimate.

"As the roll neared completion, it became evident that the increase the Supervisors were counting on was not going to materialize. That meant the tax rate they had so blithely announced, against my warning, was not realistic.

"So some of them looked around for a scapegoat and picked me. I'm here today, gentlemen, to say I'm not going to be the scapegoat. "It is the Supervisors' responsibility — not mine — when they build a budget and announce a tax rate on such a speculative basis.

"Perhaps they thought it would work because of

Swim and Salad Party Planned By Kappa Deltas

A Swim and Salad Party will be held by the Pasadena Alumnae Association of Kappa Delta at the home of Mrs. Clifford G. Siemens, 136 Elkins Place, Arcadia on Saturday, July 25, at 11:30 a.m.

Invitations have been sent to collegiate members home for the summer and alumnae members living in this area. Any Kappa Delta interested in attending may phone Mrs. Leighton B. Tuck, president, 796-9982, for reservations.

Mrs. William Bassett is in charge of the event. Assisting her with the arrangements are Mrs. Willis E. Eckloff, Mrs. Leon E. Foley, Mrs. David W. Small, Arcadia; Mrs. Frank W. Abbott, Mrs. Robert Stevens, San Marino; Mrs. Leighton B. Tuck, Pasadena; Mrs. John E. Stevenson, Alhambra; and Mrs. Arnold E. Gehlken, San Gabriel.

The Robert Vanderpools and their son, Eddie, recently enjoyed a camping trip in Zion National Park in Utah. Driving, with their trailer, they stopped in Las Vegas on the way, and during their vacation they also visited in Bryce National Park, the north rim of the Grand Canyon, Glen Canyon and Lake Powell.

Social and Club Activities

You and Your Neighbor . . . Vacation Plans

by Pauline

Mrs. Richard Bachtel and her three children, Meg, John and Bradley, had a wonderful trip when they flew to Guadalajara for two weeks. They visited Mrs. Bachtel's aunt and uncle, Mr. and Mrs. W. W. Macleod, who are from Winnipeg, Canada, but were spending some time in Mexico. While there, the Bachtels also flew to Puerto Vallarta. The whole family has already taken several trips to Ensenada this summer, and they are also planning to vacation as much as possible at their beach home on Balboa Island.

Mr. and Mrs. E. G. Meyer, formerly of Meyer's TV, are now taking a full-time vacation. With her son, Roger Morrison, they moved last week to their ranch home in Paradise, California, to semi-retire and enjoy life. They have five houses on their ranch, and another large ranch above the new Oroville Dam on the Feather River, so it sounds like they'll still have plenty to do. For the benefit of their many friends in Sierra Madre, their address in Paradise is: 5407 Sawmill Road.

Miss Shelley MacDonald of Redding, California, is the special house guest of Mr. and Mrs. Hermon Dokken this summer. Shelley, the Dokkens' granddaughter, is spending part of her time taking some summer school courses at Pasadena High School.

Don Jackson was in the hospital last week end, claiming that it will be his vacation for the summer! Anyway, he's back at his store now, feeling fine after his long, long rest.

Dee and Ed McManus of 141 White Oak, Arcadia, recently took their children, Edward, Richard and Missy, on a trip back East to visit their grandparents. They flew to Nashville first for a week's visit with Dee's parents, Mr. and Mrs. R. N. Coolidge. Then on to Florida to see Ed's parents, Mr. and Mrs. A. C. McManus, and play some golf.

Mrs. Jack Elder of 611 W. Alegria, spent an exciting two weeks recently in New York. She flew, via American Airlines, to New York

City, with her sister, Miss Breda Curran, and brother, Mr. Dennis Curran. They really enjoyed the World's Fair, and did a lot of other sightseeing in New York. They also visited in Albany, Saratoga Springs and Lake George. Before returning to California, Mrs. Elder and Miss Curran saw their brother off on a trip to Europe.

Pasa. Federation Of WCTU Have Annual Meeting

Pasadena Federation of the Woman's Christian Temperance Union will hold its annual meeting and installation of officers for 1964-65 at a luncheon meeting in the Bennett Lounge of the YWCA, 78 N. Marengo, Pasadena, on Wednesday, July 22, 1964 at 11:30 o'clock, with the president, Mrs. Ruth Gates Miller, presiding. Members and friends will go to the YWCA cafeteria at 11:30 and select their food, then take it into Bennett Lounge where tables will be set up for the day. Immediately following luncheon, the program will take place.

Annual reports of presidents of the various local unions comprising the Pasadena Federation will be given as follows: Alhambra, Miss Dora A. Wagner; Central, Mrs. Frances McCaslin Creswick; Frances Willard, Mrs. Grace Ware; Harter, Mrs. Nelle L. Vieira of Sierra Madre; Harvey, Mrs. Mary A. Rhone; Monrovia, Mrs. Hazel E. Walton; South Pasadena, Mrs. Ruth Gates Miller; Stickney, Mrs. Mary Kenny Smith, and Washington Heights, Mrs. Alice O. Whitney.

Mrs. Fairy H. Haines, federation treasurer, will report, as will also the directors of departments: Mrs. Hallie N. Nicholson, legislation; Mrs. Frances McCaslin Creswick, publicity; Mrs. Mary Kenny Smith, scientific temperance instruction, and Mrs. Effie O. Hoffman, temperance and missions, also Miss Stella A. Thomas, child welfare, and Miss Fannie L. Wheeler, Spiritual life.

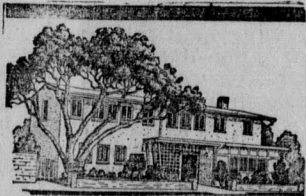

Mrs. Hyacinth Powers of Monrovia will present two of her Loyal Temperance Legion children who attended the recent LTL Camp, Theresa Thomas and Donna Lynn Ervin. Mrs. Mary Kenny Smith of Pasadena will show the film, "A More Charming You."

The Noonday prayer will be voiced by Mrs. Helen C. Kennedy of Altadena. Memorial service for departed members will be conducted by Mrs. Cora Sydnor of Pasadena.

Special music will be a solo, "I Heard a Forest Pray," by Mina Cottier, teacher of voice and piano.

Installation of Federation officers will be by the Rev. Mrs. Clara R. Ports of Paicoima, World WCTU Missionary; followed with the local union officers' installation conducted by Mrs. Loretta M. Hoyman of Glendale, world superintendent of narcotic drugs. The nominating committee to report include Miss Fannie L. Wheeler of Monrovia, Miss Stella A. Thomas of Pasadena, and Mrs. Nelle L. Vieira of Sierra Madre.

Luncheon committee is composed of Mrs. Haines, Mrs. Smith, Mrs. Marie Whitford, and Mrs. Whitney, all of Pasadena.

Shakespeare Club Juniors Plan Summer Meetings

July 29 will find Shakespeare Club Juniors on the cool patio of Mrs. Robert Cheney for the first social service meeting of the year. Botique items to be sold in November will be created, some of which are clothes dusters, a zoo like assortment of felt bean bags, bur-lap yardstick holders and Christmas decorations that can be used in the home.

August 19 the Juniors will meet at the San Palo Place home of Mrs. James Eddy for a picnic complete with hot dogs and pickles, with the boys from the Sycamores. Before lunch the boys will enjoy a cool dip in the pool with Juniors acting as life guards.

A coffee on September 22 will finish up the summer meetings with another morning devoted to completing botique items. Assisting Mrs. Cheney are Mrs. Harland D. Heath, Mrs. Richard Kennerknecht, Mrs. Paul A. Downer Jr., and Mrs. David J. Prior.

Contemplating hair coloring? We might point out that hair in poor condition is a poor bet for a satisfactory coloring job. Unusual dryness, breakage, or more than normal falling out are conditions that call for conditioning to return your hair to a healthier state.

Coloring a test strand before the whole head is done is a sensible way to determine that your hair is free of the spongy gumminess that indicates more treatment is advisable.

Still on the subject of color — PETITE BEAUTY SALON makes a delightful specialty of all types of coloring from frosting and tipping to tints and bleaches. We're experienced, too, at conditioning your hair safely and properly before any coloring is attempted. Let's talk color soon at PETITE BEAUTY SALON, 185 West Sierra Madre Blvd. Phone EL 5-8041. Open 6 days — evenings by appointment . . . And we've just installed the wonderful VAPOZONE MACHINE USED BY THOUSANDS OF HAIRDRESSERS IN EUROPE. It arrests and clears up dandruff, clears greasy scalp-dry scalp and is beneficial to the skin in every way. Try it for new skin and scalp health.

THIS WEEK'S HELPFUL HINT: Ladies, you can keep diamonds sparkling by brushing with toothpaste and rinsing in cold, clear water.

Mr. William F. Eagan, commander of the Harry L. Embree Post No. 3208 for this year, recently took his wife, Elizabeth, and two of their sons, Bobby and Terry, on a week's camping trip to Kernville, Calif. Fishing and camping by the Kern River was so much fun, that the Eagans are eagerly looking forward to taking another trip later in the summer. Next time, they're planning to drive their camper to Oregon, for some salmon fishing.

Mr. and Mrs. Ralph Hurwitz spent their vacation visiting and then fishing. Closing their shoe store on Thursday, July 2, they started out for Reno. They spent the first night in Bishop, then on to their daughter and son-in-law, Kathy and Ray Mecca's home in Reno, where they stayed for the weekend. While there they had a fabulous day visiting Virginia City, where all the local folks were dressed in the old forty-niner outfits, complete with beards, etc. To celebrate the Fourth of July there were pistol shooting matches and similar events. Ralph and Ann also visited the fascinating Chollar mine while they were there. On Sunday, they drove to June Lake, north of Bishop, Calif. They met their good friends, Mr. and Mrs. Charles Joseph of Burbank, there and spent the following week fishing in both June and Gull Lake. The Hurwitzs report that the fishing wasn't quite as good

this trip as last year, but they had a very delightful, relaxing vacation, and can't wait to go back.

Mrs. Thomas J. Walsh recently returned from a delightful three-week visit with her mother, Mrs. Michael Kopczak, in Portland, Oregon. While she was there, her sister, Mrs. Elmer Heckel of St. Louis, flew out to join them, and then returned home with Mrs. Walsh to 1220 Medford, for another week's visit.

A most enjoyable camping trip to Monterey, Carmel and the Big Sur country was recently taken by the Van Achtoven family of 270 E. Alegria. Going along with Mr. and Mrs. Van Achtoven were their two children, Leslie and Eric.

Mrs. John E. Ranks is having a fabulous two-month trip in the East this summer, with her daughter, Karen. They flew to Baltimore first, then on to Philadelphia, Poughkeepsie, N.Y., Boston, and Portland, Maine, visiting friends and relatives. They will also be staying in Galais, Maine, with Mrs. Ranks' parents. Then they will finish up the vacation with a glorious week in New York City visiting the World's Fair. Keeping the home fires burning with Mr. Ranks, is their son, David, who is spending his summer vacation from Claremont Men's College selling encyclopedias.

Mr. and Mrs. Loran Smith have made some wonderful plans for this summer. With their three sons, they will be going to the resort town of Ben Lomond in the Santa Cruz Mountains. Needless to say, Stephen, Craig and Bryan are eagerly looking forward to the fishing, swimming, hiking, horseback riding and seeing the Redwood country.

Latest News From The Don Haleys

Of great interest to their many friends here in Sierra Madre is the latest news from Patricia and Don Haley, and two-year-old Timmie, who recently moved to Australia. According to Don's mother, Mrs. R. A. Swope, they have found a very nice, furnished house, and their Australian neighbors have been most friendly and helpful.

Don resigned from the fire department in Elizabeth recently, and is now working for the South Australian Housing Trust, the state, doing surveying work for new buildings, houses, playgrounds etc. He also has joined the Civilian Australian Army, and last week graduated from recruit training. Plus all this, he plays in the regular Army's Pipe Band, so he's been mighty busy.

Don was with the Sierra Madre Post Office for three years, and was a volunteer fireman, so he and Pat have lots of friends in this area that they miss very much, and would love to hear from. Their address is: 16 Halsey Rd., Elizabeth East, South Australia.

CRIB CROP

New Arrivals in the Sierra Madre Area

Mr. and Mrs. George Mavredakis of 610 Manzanita Ave., Sierra Madre, proudly announced the birth of their fourth child on July 5. Their new little daughter, Parise Viann, weighed 7 pounds 5 ounces when she arrived at Methodist Hospital in Arcadia.

Mighty happy to have a new sister, are Marcia, 9 years old, John, 7, and Joyce, 2 years. Their maternal grandmother is Mrs. Joy Tripodes of San Gabriel, and the paternal grandparents are Mr. and Mrs. John Mavredakis of Los Angeles.

There are eight children now at the home of Mr. and Mrs. Robert Van Ness of 36 W. Mira Monte, Sierra Madre. On July 9, at 5:10 p.m., they happily welcomed Jean Therese at Saint Luke Hospital. Their new little daughter weighed 6 pounds 2 ounces when she was born.

Very pleased to have a new baby sister are, Patty Ann, 17, Kathy, 15, John, 14, Mary, 11 Robert 10, Mark, 7, and Jim, 5 years old. Their proud grandparents are Mrs.

Madalyn Hartman of Fullerton, and Mr. and Mrs. R. G. Van Ness of San Diego.

July 7th was a very exciting day for Mr. and Mrs. Paul Smith, as they happily welcomed their fourth child, and first daughter. Miss Doreen Suzanne only weighed 4 pounds 3 ounces when she was born, so the Smiths are eagerly hoping to bring her home to 516 Hacienda Drive, Monrovia, from Methodist Hospital this week.

Little Doreen's big brothers are, Doug, 8, Donald, 6, and David, 2 years old. The proud grandparents are Mr. and Mrs. Hugh McCrum of Long Beach, and the paternal grandmother is Mrs. Ruth Warren of Pasadena.

Mid-Summer Tea For Beta Alpha Omicron Chapter

Members of Beta Alpha Omicron Chapter, Beta Sigma Phi, will gather at 1 p.m. on July 25 for a mid-summer tea at the home of Mrs. William Jones of Temple City. Using "An Invitation to Life" theme, the group has issued invitations to 30 guests and prospective members to the event to be held in honor of Mrs. Milada Reed, Beta Sigma Phi International Field Representative, to whom the new chapter is indebted for assistance during their recent organization. Other guests will be two Beta Sigma Phi City Council Presidents, Mrs. William DeBuys of San Gabriel Valley Council and Mrs. Howard Fond of Los Angeles City Council.

Beta Alpha Omicron President, Mrs. Ted Hill of Temple City will serve as hostess for the tea along with chapter members Mrs. Thayer Aguilar of Sierra Madre, Mrs. Margie Armstrong of El Monte, Mrs. Phil Francis of Huntington Park, Mrs. Roland Hill and Mrs. William Kennedy of Temple City. Mrs. Ruth Klein of Pasadena and Mrs. Wayne Nelson of Alhambra.

Bethany

Mr. John Kershaw, superintendent of Bethany Sunday school, announces that a Sunday School Workers' Conference banquet was held last Tuesday, July 21, honoring all the Sunday school teachers of last year and the new ones for this year. Pastor Robert Schaper and Harold Ankeny, minister of Christian Education, spoke briefly about the importance of the work and plans were presented for the fall program.

A youth crusade for junior high through college will be held at 7:30 p.m. July 29, featuring Greg and Barbara Loren. Greg has been on the National Championship Ski Teams, having jumped over 300 feet and skied over 100 miles per

Bible Lesson Theme Announced

"The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity."

These words from the opening preface of the Christian Science textbook (Science and Health with Key to the Scriptures by Mary Baker Eddy) will help set the theme of a Bible Lesson on "Truth" to be read at Christian Science churches this Sunday. Responsive reading will include these verses from Psalms "Truth shall spring out of the earth; and righteousness shall look down from heaven . . . Teach me Thy way, O Lord; I will walk in Thy truth: unite my heart to fear Thy name."

Sermon-Lesson Announced By Dr. Barnhart

"Living With God Power" is the sermon-lesson of Dr. Ethel Barnhart at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, Sunday, July 26 - 9 and 11 a.m. "LIVING WITH GOD POWER"

Class in "LIVING RELIGIONS," July 28 to Aug. 18. Tuitional class open to the public presented by Dr. Irma Glen. Call HI 6-8206 for further information.

Once the eternal Truth that God is totally Good, as taught in the Scriptures, is fixed in an individual's thinking concerning God, every phase of his living is affected. The Abundant Life is man's heritage. This will be the theme of the sermon. The public is invited and welcomed. Child care is provided at both services.

The Spiritual education of the children includes a 15 minute worship period with their parents in the Sanctuary at 9 a.m. Children from kindergarten through eighth grade are provided for.

The Youth Activity for high school and early years of college will meet throughout the summer at 7 p.m.

Dr. Barnhart says "If we may pray with you and for you, please call HI 7-6162, day or night."

Church Notes

hour as well as being a recording artist; while Barbara has made TV appearances and worked in the movie industry. All young people are invited to attend this meeting as well as the Seven-Up Club on Tuesday evenings at 6:45 p.m. for Junior Highers and the Upper-Ten Club on Thursdays at 6:45 p.m. for high school and college age, directed by Gary Westover, youth director.

At the 11 a.m. service on Sunday, Dr. Schaper, pastor will speak on the subject of "A Three Fold Cord" from the First Epistle of John. The evening service will welcome home Mr. and Mrs. William Widbin, missionaries from Indonesia, and Mr. Widbin will speak on the work there. The public is cordially invited to attend any of the services beginning with Sunday school at 9:30 a.m., when the fourth episode in "The Living Christ" series will be shown.

Rev. Armin Hesse Presents Second In Sermon Series

"A Sermon At a City Dump" will be the theme of the Rev. Armin Hesse's pulpit message in the 8:45 and 10:30 Sunday morning services at Faith Lutheran Church, 845 Hastings Ranch Drive.

This presentation will be the second in the pastor's current five-Sunday series on "Timely Messages of the Lord Associated with Unusual Places." It will center on another dramatic chapter of the Book of Jeremiah in which the Prophet took the elder statesmen and clerics of Jerusalem to the Valley of Hinnom for a daring sermon with the help of visual aids.

Meeting at 9:35, the Sunday school departments will study the Biblical accounts of "The Raising of Jairus' Daughter." Enrollments for the Children's Vacation Bible School, to be conducted August 3 to 14, will be taken during this hour.

Continues Motion Picture Series

The Living Christ full-color motion picture series continues Sunday, July 26, at 9:30 a.m. with the showing of "Men of the Wilderness" at Bethany Church of Sierra Madre.

The film begins with John the Baptist's testimony that Jesus is the son of God, and goes on to portray the three temptations, the conflict between Herod and Herodias over the disposition of John, the calling of the first disciples on the shore of Galilee, the healing of the mad man at Capernaum, and the curing of the sick and lame in the courtyard of Peter's home.

The entire series has an outstanding cast including 200 speaking parts, according to John Kershaw, general chairman. He said it shows precise research and reverent treatment meeting the highest standards. The public is invited to each

Sunday Picnic For Congregation

Bethany Lutheran Congregation will leave by bus and cars immediately following the 10 o'clock service, for California Lutheran College, Thousand Oaks, Calif. The annual church picnic will be held on the campus of Calif. Lutheran. Francis Brandon, chairman of the parish education committee, Robert Kostur, Sunday school superintendent, and Herbert Meincke are planning the affair, and Douglas Hayden is in charge of transportation.

Before the picnic, the congregation will gather for Sunday school at 9:15 and worship service at 10 a.m. Pastor Carlsen will preach on the theme, "The Prodigals Brother."

session being convened at the church located at 93 N. Baldwin, Sierra Madre.

Fire Department

Party on Christmas Eve for Sierra Madre boys and girls, also an Easter Egg Party at Easter time, and various other activities in the city during the year. The Christmas Dance has been a tradition for over 40 years with the department.

New members are voted on by the regular members of the department. If any man, 21 years or older, who works and lives in Sierra Madre, is interested, he should contact a member of the department for more information, or better yet, make a visit to the station on any second or fourth Friday night of the month.

Public Library

numerous showings in the southland, nationally and abroad. The Thinker has caused quite a "stir" with younger set.

During the month of June, Phil Cullens exhibited two paintings, The Christ and The Poet.

Other exhibitors have been Mrs. Bonney and Mrs. Baumeister.

Other artists interested in exhibiting something from their collection are asked to call the library.

PRECISION IS THE WATCH-WORD

that must be observed with care and the know-how born of experience. True professional men are Certified Master Watchmakers of the American Watchmakers Institute. There is one in town —

RICHARD KING
Certified Master Watchmaker No. 516
American Watchmakers Institute
24 W. Sierra Madre Blvd.

The southeast corner of Sierra Madre Blvd. and Michillinda will soon be enhanced with a community sign board which was initiated some months ago by the Sierra Madre Lions Club.

Particular emphasis at that time was placed on the fact that with the eventual construction of the apartment dwellings on this corner it was necessary to stay in keeping with the architecture of the building, yet complement the natural beauty of Sierra Madre.

With this idea in mind, Lions' Civic Improvements Chairman Paul Werden discussed the proposal with Bud Baker, owner of the property, and R. S. Palmer, the general contractor for the building.

Plans for the signpost were submitted to the Lions Club members and approved. With this, the necessary approval was received from the City Council.

Today the framework has

been erected and the club and church signs soon will be placed in position.

The Lions wish to thank Mr. Baker for his cooperation in this community beautification project.

Coming events for the Lions Club include several informal get-togethers, as well as educational programs at the business meetings.

The trip to Centro de Amparo Orphanage has been set for the third week in August instead of the first week as previously planned.

It has been found that the pleasant mixture of social events, civic service and educational programs keeps members active and interested.

In our fast growing community there are many who are unaware of the Lions Club functions. We welcome any questions concerning forthcoming activities and Lions objectives. Please call Paul Werden at 355-8148 regarding Lions activities.

Letters to the Editor . . .

Dear Editor:

I would like to thank you for informing your readers in last week's editorial that "The new federal Civil Rights Law has no effect upon California residential housing." This gives Californians the opportunity to show that they are able to provide fair housing by voting NO on Proposition 14. After all, what better way to show the federal government that California is able to solve her own problems without federal intervention?

I must also agree with the sentiment of the quotation that you used in your editorial—"And we are going to try to make sure that before this campaign is over, every voter will have an opportunity to learn the truth." The members of the Sierra Madre Fair Housing Committee will do all that is in their power to see that the truth is given to the voters.

—BOB BOCK.

SPORTS AS Hank Ives SEES IT

NOTHING LIKE IT

Say what you want about fresh water fishing, it still doesn't compare with the deep sea variety. At least not in this writer's opinion.

Recently this reporter journeyed to San Diego for a bout with the denizens of the deep. The Friday trip out of H & M Sportsfishing Landing on Pt. Loma netted four nice yellowtail and all of the bonita we could handle. In fact, the "boneheads" were so plentiful that probably five times the catch were given the "deep six" treatment.

The yellowtails were traded for a combination case of canned yellowtail and albacore while the three sacks of bonita were left to be smoked.

The following day we

ventured further south, Ensenada to be exact. Aboard Jose Flores' speedy "Acapulco" the haul included sacks of white sea bass, barracuda and of course the ever-present bonita.

Returning home on Sunday brought us past the Mexican "Separation Center" otherwise known as Caliente. The lure of the 5-10 was too much to fight. The three-man syndicate tried parlays, 1-2-3's, quine-las and of course the 5-10. We made like bridesmaids and wouldn't you know, missed the big pot by the margin of one head.

All in all, it was one heck of a weekend.

Thing of it is, on Saturday, 139 Alpacas were taken at the H & M landing in San Diego, one day AFTER we were there.

COUPLE OF SIDEPONTS . . . Bonita make a darned good eating fish, when properly smoked or cooked. Yellows can make that line sing and give the angler one fine tussle.

LITTLE THIS-N-THAT . . . WONDER WHAT the Rams have in store for Jon Arnett? Certainly he is too high paid for a second unit flanker job.

CANT MOST of the Dodger woes be laid to the fact the "P" boys, Podres and Perrasoski haven't helped much?

WONT THE 49ERS be tough this year with both Billy Kilmer and John Brodie ready for action? Both men were laid up last year with injuries incurred in auto accidents.

WHY DOESN'T President Johnson appoint a national boxing czar? The fight game is run by hoods interested in feathering their own pockets. Jack Dempsey would be a good one just for openers.

IMAGINE, football season kicks off shortly with the Ram-DALLAS Comby tiff on tap for August 8.

IRV NOREN must have known what he was doing when he refused to take the Hawaiian Island managerial job. (Or didn't the parent Angels ask him back?) Bob Lemon's lads are mired deep in the cellar with a 25-57 record.

THERE ARE just too many professional golf tournaments on the circuit. After a while you just lose interest. You just couldn't care less if it's the National Open or the Ratsfratz Open.

IF THE JURY is still out on the Angel's Willie Smith, they had better return to the main room or miss some sparkling heroics. The "wonderful" one has speed and a picture batting stroke and figures to be around for a long time as an outfielder. Stan Musial started as a pitcher, remember?

IF THE YANKEES are losing to the Mets at the box office, perhaps they should take on some "Veeckisms."

OLD HANKUS likes Dick Gregorian's Fleet Son in Saturday's big Juvenile Handicap at Hollywood.

HOW BAD CAN BOXING GET? A San Francisco promoter has offered Floyd Patterson a bundle of loot to fight Zora Folley, in the Bay City. Now wouldn't that billing set your adrenalin to

Kings Report Convention

affair at the Cow Palace climaxed a battle won months ago. Victory was indeed sweet for those who have labored so long in the ranks.

No single factor can account for the Senator's practically complete control of the Republican party in 1964. The dominant theme, however, that has attracted widespread support to him, is his able articulation of the conservative philosophy, while at the same time matching words to deeds in the Senate. Such organizations as Youth for Goldwater, Young Americans for Freedom, and United Republicans of California, are typical of the groups which have been drawn to his banner.

One of the high spots of the Convention was the kick-off rally for the Senator sponsored by the Youth for Goldwater organization in the Masonic Auditorium. Anyone who fears for the future of our youth would have found copious reassurance here. These young people are the finest of America's high school and colleges, bursting with enthusiasm for the conservative cause. Certainly they were in marked contrast to the motley group which picketed the Cow Palace.

One reporter from a New York weekly remarked that he hadn't seen anything like this in 30 years of covering political affairs. Goldwater's own recognition of the growth of the Conservative Youth Movement has been accompanied by a genuine desire to live up to the faith that these young Americans have in his leadership. Enthusiastic, voluntary effort on the part of the Goldwater supporters has been one of the hallmarks of the campaign. No other Republican candidate could command anything like it. The Republican National Convention exposed the deep concern which Americans feel regarding the direction the country is proceeding. Intuitively, many persons suspect the course the nation has been embarked upon. Thus the Goldwater candidacy offers them hope for a real departure from these policies, or in the words of his campaign slogan, "A choice, not an echo."

What of the coming months? Is the administration running scared? Well, buckle your seat belts and get ready for a rough campaign. The Republican Party of 1964 represents an entirely different party from the opposition the Democrats have had in the past. It has not been "taken over" by the right wing, it has been restored to its original course. This represents a working?

READ IT IN THE RACING FORM . . . Teenage joke . . . "What does the President get when he rubs his ears? . . . Johnson's wax."

After my careful consideration of the groups Thomas Braden also omitted from the list, I am beginning to wonder . . . Whose darling is Mr. Braden?

Mr. Braden's recent outbursts against Dr. Max Rafferty, State Superintendent of Public Instruction, and in behalf of the left wing Constitutional Rights Foundation undoubtedly was interpreted as sweet music by all members of the liberally oriented Alliance for a Better Community (ABC).

ABC, surely possesses its favorites, if not its darlings. The list must certainly be headed by some of those who have been in the news the past several months in Monrovia, and I have my idea as to who the "sweet-heart honors" are attached to, and I am fairly sure that your guess is as good as mine.

real threat to those who now hold power and they can be counted on to pull out all the stops in the forthcoming months. Hardly had the tumult of the Senator's acceptance speech died away when Governor Brown indicated the direction of attack, when he commented that Senator Goldwater's speech bore the "stench of Fascism." Soon the cries of right wing extremist, war monger, fanatic, ad infinitum, will assail our ears from the nation's press, churches and schools.

The Senator will be accused of risking American lives by going to war, of wanting to destroy the Social Security system, of abolishing the U.N., to name just a few. The issues will be unimportant to his detractors—their only concern is the vilification of the man. However, after working at the precinct level and observing the results of that effort at the national level, we think that as Senator Barry Goldwater has touched that responsive chord of Americanism in the hearts of many, just so will he reach other millions of Americans to assure himself the election in November.

ABC Hears

political horrors headed by the infamous subversive Fair Play for Cuba, the committee, which since supplied the assassin of the President of the United States. Further, Mr. Braden realized no reason to include in his horror chamber the National Lawyers Guild, the Civil Rights Congress or the Hollywood Community group even though they had all been declared subversive in government publications.

He completely forgot the Communist party and its network of sympathizers, but he did not forget to make the self-styled statement that "Dr. Max Rafferty is the darling of the hate groups" and he was referring to his own alleged list of political horror chamber members.

After my careful consideration of the groups Thomas Braden also omitted from the list, I am beginning to wonder . . . Whose darling is Mr. Braden?

Mr. Braden's recent outbursts against Dr. Max Rafferty, State Superintendent of Public Instruction, and in behalf of the left wing Constitutional Rights Foundation undoubtedly was interpreted as sweet music by all members of the liberally oriented Alliance for a Better Community (ABC).

Gove Lane Must Be Widened; D'Arcy Chair.
Plan will be carried out, and more public hearings will be held on this matter.
Next on the agenda was the front yard setback variance, lots 104-105 at the intersection of Skyland Drive and Idle Hour Lane. The applicant wishes to build a house without destroying trees and without cutting into the hill. This variance was granted with the request that the applicant legally consolidate these two parcels.
Under old business was the lot split and Variance of Lots 25 and 26, Ocean View Tract. This had been held

Emerson Vice Chair., Planning Comm.
study. The committee consists of Commissioners Emerson, Couchman and the new commissioner, Poolman.
Under new business it was reported that a copy of the report made by the Hillside Committee was made available to the Planning Commission, and all felt that some action should be taken by the next meeting, so a study session was set for Thursday night, July 23, so as the Planning Commission could study the report made by the Hillside Committee. It was also brought up about a future joint meeting with the Hillside

Committee, because of vacations, and study session the Planning Commission felt that all members should be present for the joint meeting and will set a date at the August meeting.
Before the adjournment of the meeting, Chairman D'Arcy thanked the outgoing chairman, Marie Casey for her services of the past year and her good leadership.
The next regular meeting of the Sierra Madre Planning Commission will be August 20. Everyone is invited to attend these meetings held in the Council Chambers.

**It Pays to Buy
where You Live**

when You Spend It at Home

NO, you haven't seen the last of the money you spend with local business people...it keeps right on working for you, circulating in YOUR community, creating more trade volume as it passes from hand to hand...and even through your own hands, again and again.

And it's TRADE VOLUME, you know, that makes YOUR business more profitable, or YOUR job more secure...that supports stronger schools and churches...that increases the value of YOUR property and investments...and attracts more good friends and neighbors to help you support and work for community progress.

It Pays to Buy Where You Live

These firms are genuinely interested in the future of our Community and your welfare . . . patronize them

Editorially Speaking....

Coin Shortage

The pleasant clink of coins in pants pocket or purse is heard less often in these days of coin shortage, but the Treasury Department has taken steps it hopes will relieve the squeeze on businessmen and the nation's banks.

By order of the Treasury the mints at Denver and Philadelphia will increase their total coin output to 8.6 billion units a year — that's about double today's production — with an ultimate goal for June, 1965, of a rate of 9 billion coins a year. At the same time, Treasury has asked Congress for authority to date coins "1964" indefinitely to forestall disappearance of coins into collections.

Meanwhile, banks, department stores, vending machine operators and food store managers all are scrambling for coins with which to make change.

Illustrating the straits in which banks, even the biggest, find themselves, Chase Manhattan Bank (second largest in the U.S.) reports it is able to get from the Federal Reserve Bank only about \$7,000 a week in coin, where it normally draws between \$600,000 and \$700,000 each week.

Cause of the shortage? The experts cite three: increased vending machine sales; a sudden and unlooked-for growth in the number of coin collectors; and inability of the mints at Denver and Philadelphia to increase their output rapidly enough to meet the rising demand.

Busybody Big Brother

Big Brother, this time in the guise of the Federal Trade Commission, has moved once again to protect us from ourselves. The Commission ruled that by next year cigarette labels and advertising must carry the warning that "Cigarette smoking may cause death from cancer or other diseases."

Now anyone who has ever smoked, especially in the early, adventurous phase of using "the filthy weed" has been made constantly aware of tobacco's potential for danger. Some among us even remember when cigarettes were called "coffin nails." Does the FTC actually think people today aren't aware of cancer and other dreadful things?

Following its paternalistic and officious philosophy to the logical end shouldn't the FTC do some more labeling, somewhat as follows?

Autos: "Automobile driving may cause death from sudden stopping or other disasters."

Candy: "Candy eating may cause trips to the dentist through creation of caries."

Coffee: "Coffee drinking may cause sleeplessness or heart trouble if ingested immoderately."

Liquor: "May cause cirrhosis of the liver, and distressing hangovers. Also see 'Autos.'"

Foolish? Of course. Agencies such as the Pure Food & Drug Administration have a legitimate duty to ban harmful items the public can't possibly be expected to know about. But smoking is a well understood personal habit that harms no one but the smoker. The FTC rule is an unwarranted intrusion.

Top Value

The cost of prescription drugs has been making the news for a considerable period of time. Congress has considered it.

So a few facts, summarized by the Pharmaceutical Manufacturers Association from government economic data, are in order.

The amount of working time it took the average man to earn enough money for his prescription was far lower than some of the way-out criticisms would indicate. At the end of 1962, it took him an hour and 22 minutes. By way of comparison, this average worker, whose earnings were \$96.96 per week, had to work nearly three hours to earn enough for a tooth extraction, 44 minutes for a haircut, half an hour for a six-pack of beer, and 25 minutes for a movie ticket.

And, beyond any doubt, there are bargains in the prescription drug field. In that same year, for instance, a dozen tablets of lifesaving penicillin cost 51 minutes of work. Other medications ranged from a 46-minute sedative to the one-hour-56-minute antibiotics. We all wish that medicines were cheaper, as we wish that everything was cheaper. But the value we get, in terms of health benefits from today's dollar, is a great one.

A Republic

Thousands of years had retreated down the corridors of history before the woman, with tears in her eyes, stopped Benjamin Franklin as he emerged from the Constitutional Convention's final session of ratification, and said to him:

"What kind of a government have you given us, Mr. Franklin?"

He replied:

"A Republic, madam — if you can keep it."

The Constitution offered the promise that a man would be his own master and government his servant — the promise that tyranny, whether in brutal or paternal guise, would have little opportunity to rise up to stifle the legitimate aspirations of freemen.

The delegates had worked out an architectural design for limited government.

Man's age-old search had materialized in its finest expression.

Was Mr. Franklin, out of his own great wisdom, out of his own knowledge of governments and the governed, voicing his grave reservation that freemen, themselves, would someday conduct themselves and their national affairs in such a manner that self-government would languish and individual freedom wither?

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California, Los Angeles County, Post Office Box 37, Telephone ELgin 5-3224 or 5-3325.

The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4499 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1938. FREEDOM

At Any Price

By H. V. Witte

I don't know how it all began.

Perhaps it was when I received that form letter in the mail. I returned it with a note saying, "Please drop me from your mailing list; as far as I know, I've never ordered any 'internal revenue service'."

Or maybe it was when I sent in my income tax check with that note written on it: "Please be sure this money goes to some nice country."

Whatever the reason, I was called to come in for a "friendly" chat with the income tax people. And I must say that while we can't ordinarily admire everything in government service, we surely have to hand it to the Internal Revenue Service. In fact, that's all we ever do — hand it to them and hand it to them and hand it to them.

While I was in their office I noticed a lot of unusual things. I saw one accountant leap out of his chair and holler to another accountant: "Oh my goodness! I nearly scared myself to death. I saw that big deficit and forgot for a moment that I was working for the government!"

As I walked by another desk, an investigator was asking a little old lady, "Don't you like to support your government?" She replied: "It isn't my government I mind supporting — it's all those other ones!"

While the agent was working on my form, I made the mistake of saying: "Gee, I wish you'd pay as much attention to your own expenses as you do to mine."

To this he replied "Mister, we can't cut government expenses; after all, every one of those expenses can vote!"

"After all," he said, "You must realize that there are two inevitable things in this world — death and taxes." "That's true," I replied, "But death doesn't get worse every time Congress meets." "Just what is this taxation business, anyway?" I asked.

He explained: "Taxation is the process by which money is collected from the people to pay the salaries of the men who do the collecting. The surplus is used to pay the salaries of the men the people elect to decide how much shall be collected from them. See?"

Like someone said, the old adage "You can't take it with you" doesn't bother me any more — now I wonder how to keep it while I'm here.

As a matter of fact, I've asked my boss for a raise as a patriotic duty. After all, the government needs that additional tax on my salary.

One time I received my weekly check and thought I had received a raise. I ran into the boss' office to thank him. He took one look at my check and said, "Oh my God — we gave you the deductions by mistake!"

In fact, not too long ago, a gunman came up to the pay window at our plant and said: "Never mind the payroll — just hand over the withholding taxes."

OUT OF THE COBWEBS

10 Years Ago:
July 22, 1954

Special services marking the first anniversary of Dr. Robert Schaper's pastorate at Bethany Church will be held this Sunday night. Dr. Schaper will be preaching a message on the subject "The First Milestone," and Mrs. Schaper will sing.

Arnold's Hardware has a new employee, Oliver Perry Arnold IV, who joined the staff following his graduation last month from the University of Southern California, with a Bachelor of Arts degree. While at USC, he was a member of Chi Phi fraternity.

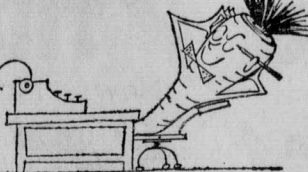

Mr. Arnold is the son of Mr. and Mrs. Oliver P. Arnold of 101 E. Alegria.

Announcement has been made of the completion of minimum facilities for Hastings Ranch Park. The city directors authorized the expenditure of an additional \$28,528 for landscaping, turf, backstops, steps, picnic shelter, tables, stoves, drinking fountain, and other equipment. The initial \$23,599 project was to install restrooms, driveways, curbs, and other basic needs. When completed next spring, the park will provide baseball, play and picnic facilities.

Mr. and Mrs. Charles A. Ower of 22 W. Carter, celebrated their 25th wedding anniversary July 11. Many friends and relatives gathered on the Owers' patio to hear Mr. and Mrs. Ower repeat their marriage vows. Rev. K. K. Coakes, pastor of the Four Square Church in Pasadena, read the service.

20 Years Ago:

CARROT TOP

publican and a conservative to boot, and have never tried to hide it, is something that I am sure the Democrats cannot overlook.

One thing that the Johns of the community cannot say and that is that I have never allowed them to have a voice in the Sierra Madre News, their views, their letters have always been welcomed and received and published. . . . Certainly they do not think I would do the writing for them. A Republican cannot think as a true Democrat.

Now if any Democrats think that I feel they have a little odor to them, dismiss this feeling altogether. . . . I am very proud of the two party system, and do hope that after the Republican Convention, we still have the same system. . . . I know millions of good Democrats, and know almost as many sour Republicans as I do sour Democrats.

Tomorrow, if I am called upon to do so, I will defend any Democrat, in any action that I feel is unjustified, just as I would defend a member of the John Birch Society, the Catholic Religion, or the American people as a whole, be they white, colored, or just tinted. . . . To me this United States is "Freedom At Any Price" and this is something that you, you and you should believe with undying devotion, I hope, I hope, I hope.

stop

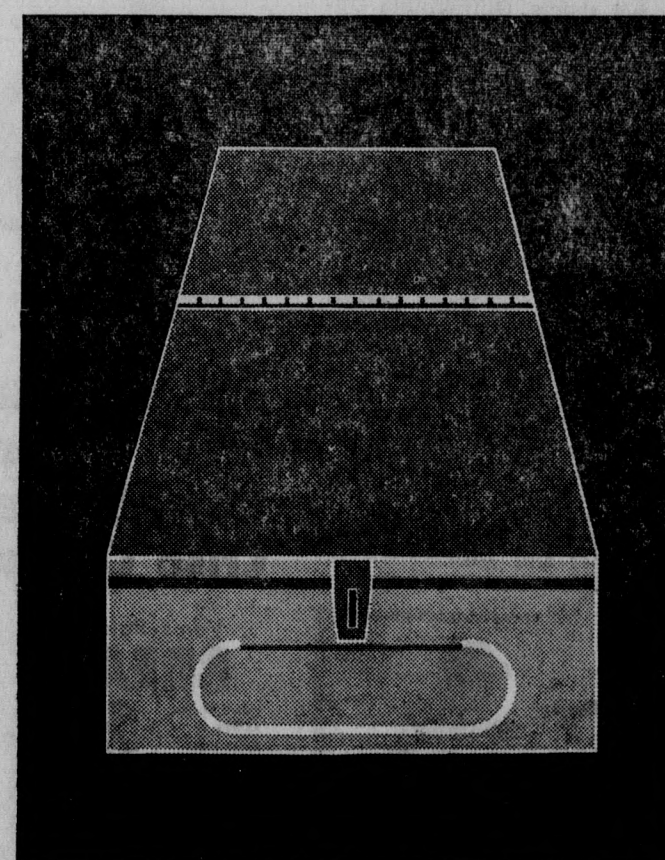

where you see this sign of Balanced Power
you'll live better...spend less

- Your Balanced Power home or apartment uses both gas and electricity. Electricity runs the lights, TV, small appliances.
- And in your Balanced Power home or apartment Gas does the big jobs of cooking, heating and air conditioning, clothes drying, water heating.
- Gas is faster. And costs you a whole of a lot less. That's the big difference!

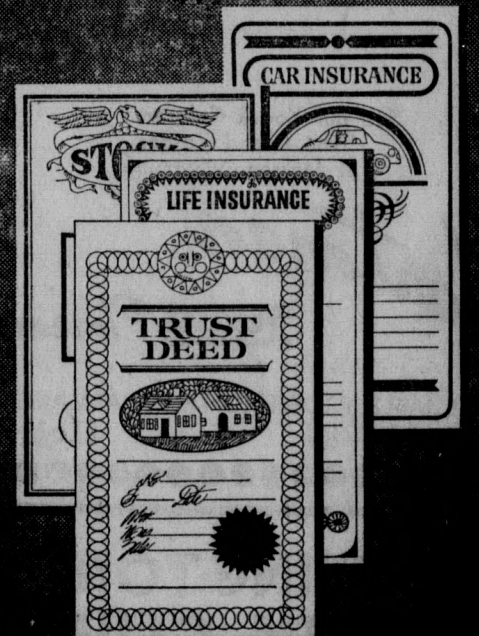

- When you let each power do what it does best, your monthly bills are smaller. Over the life of your mortgage, you can save thousands of dollars.
- You'll find the sign of Balanced Power in the advertisements of smart builders throughout this real estate section, and displayed on new homes and apartments wherever you go in Southern California.

Travel Week For Senior Citizens

This is travel week for the Senior Citizens. Monday morning the following members left for a three days tour of Yosemite Valley: Lillian Cason, Pearl Patterson, Effie Pratt, Vivian Singleton and Henrietta Symonds.

Wednesday, 14 members will join the Arcadia group for a cruise of Los Angeles Harbor.

Two new members were welcomed into the organization, Mrs. Leonard Wam-mock of Sierra Madre, and Mrs. O. Lynn of Arcadia.

Next Saturday, the July birthdays will be observed.

Covina Concert Band To Play In Memorial Park

The Covina Concert Band will play at Sierra Madre's Memorial Park on July 24 at 8 p.m. The Sierra Madre Concert Band has arranged an exchange of concerts with Covina, so they will be playing in Covina on Aug. 28.

The Covina Band, directed by Charles King, has made an excellent name for itself this year. The band's repertoire includes everything from jazz to the classical, and they play both types equally well.

Everyone is cordially invited to the July 24 concert to enjoy a delightful music-filled evening under the stars at Memorial Park.

Well, you might say we are going down the political homestretch and already the turf is getting pretty muddy. Television has opened up an entirely new hysterical world of politics and everyone seems to have something to say, and what's more, they say it, including Puerto Rico's and the Virgin Islands' delegates. Regardless of party affiliation, there were few who could ignore the convention specials last week if they chanced to turn on the television and will have the opportunity of again seeing it in August as the Democratic convention gets underway. There has been much said about disunity in the party and what a shame that there has been so much personal rivalry between members of the same party. To me, this is the healthiest thing in the world because it gives us, the people, the chance to have a say in our government. We, the little people, review all of the possible candidates in either party and through our delegates the man who is most desirable to the majority will be the man to represent us at the polls in November. As long as this practice continues, we will not have a puppet government. I'll admit it is hard at times to sift through the silt and find

the true facts, and in many cases we never will know those facts, but as long as there is a choice, let us give thanks!

The Hollywood Bowl never fails to offer many attractions that prove irresistible to music lovers. Last week the appearance of Meredith Willson and his wife, Reni, attracted eight busloads from the Sierra Madre, Arcadia and Sierra Madre Villa area. In our case, we had our own bus coming right to our front doors to pick up all of the families involved with their children and picnic hampers. It is always a fun trip to the Bowl with lots of singing and laughter and then to eat out in the beautiful setting of the Bowl itself is an experience few would ever forget.

This year the bus carried Dr. and Mrs. Robert Mueller, Dr. and Mrs. Paul Nar-cowich, Mr. and Mrs. Kenneth Christianson, Mr. and Mrs. C. Tom Crawford, Mr. and Mrs. Tom Packard, Mr. and Mrs. Frank Parks, Mr. John Campbell, Mr. and Mrs. Walter Dorn, Mr. and Mrs. John Lampert, Mr. and Mrs. William Baugh, Mr. Aikman Armstrong, Mr. and Mrs. Charles Klingerman and ourselves, plus the various and sundry children from each family in addition to Duncan Smith and Liz and Ben Rode, whose parents were unable to join us.

The "Supper Club" met recently at the Pasadena Glen home of Virginia and Ben Rogers. They all had a surprise as Ben had finished his new railing on their cantilevered porch, so they sat like patrooms, sipping mint juleps, masters of all they surveyed. They have quite a breathtaking view from the balcony. Their group included Trudy and George Amthor, Dodi and A. J. Huber, Ralph Paquette, Naomi and Joe Koerntgen and Rosemary and John Wiles.

Everyone loves to be part of bridal festivities and to share the joy of the bride-to-be. Tonight Miss Gudelia Gutierrez will be honored at a bridal shower given by myself and Mrs. A. J. Huber at Mrs. Huber's home. Gudelia will become the bride of Mr. George Florates on the 8th of August at the Assumption of the Blessed Virgin Mary Church in Pasadena.

The guests invited to the party, in addition to the bride, are her mother, Mrs. J. Arturo Gutierrez; three of her sisters, Guillermina Gutierrez, Elena Gutierrez and Mrs. John Delaney, as well as Mrs. Aikman Armstrong, Mrs. Fred Ascension, her aunt, and cousins, Theresa and Kathleen, Miss Lucille Bonezek, Mrs. Eve Ferguson, her aunt and cousin, Mrs. Josephine Gutierrez and Barbara, Mrs. Charles Klingerman, Mrs. Harold Levenson, another aunt and cousins, Mrs. Luz Maria Lloreda and Rene, Cathy and Diane, Mrs. F. J. Reynolds, Mrs. Ben Rogers, her aunt, Mrs. Dolores Martinez, Mrs. Ralph Paquette, Mrs. Carl Moun-teer, Mrs. John Eppard, Mrs. George Amthor, Mrs. J. P. Jovenat, Miss Sherri Maurin, Miss Janet Huber, Miss Joan Huber and Miss Karen Huber.

Letters To the Editor . . .

Dear Editor:
Replying to a letter to the editor published a few weeks ago about the Housing Initiative and mention of the Rumford Act.

Human rights cannot be divided and given priority over property rights any more than federal power gives priority to individual freedom.

The so called "Fair Housing Act" or "Fair Housing legislation" as stated is in effect "forced housing," and does it not remove human rights by destroying property rights?

Proposition 14 is by no means confusing. If passed it will outlaw any so called "Fair Housing Act." Proposition 14, known to many as the Housing Initiative, if passed by the voters of California will "prohibit the state or any subdivision thereof from denying the right of any person to decline to sell, lease or rent residential real property to any person as he chooses."

The Housing Initiative (Proposition 14) reads as follows:

"Neither the state nor any subdivision or agency thereof shall deny, limit or abridge, directly or indirectly, the right of any person, who is willing or desires to sell, lease or rent any part or all of his real property, to decline to sell, lease or rent such property to such person or persons as he, in his absolute discretion chooses."

Is there anything confusing about this?

I suggest the Sierra Madre public library have readily available to the community a book "What You Need to Know About the Rumford Act (5th edition) by Dr. W. S. McBirnie. This book is available by writing Box 90, Glendale, California.

A copy will be furnished to the library.

— N. MITCHELL

Vacation Plans

by Pauline

An unusual but exciting two-week vacation is being planned by Mr. and Mrs. John Weiss, in Blythe, California, and David will be going up for a visit with them too. Later in the summer the whole family will get together with both sets of grandparents, Mr. and Mrs. Weiss, and Mr. and Mrs. K. E. Harvey at the Colorado River.

Mrs. Ralph Burns and her daughter, Karen, are happily planning a three-week trip to the East. They will fly to New York and do a lot of sightseeing, plus taking in the World's Fair. Mrs. Burns is from Long Island originally, so they're naturally looking forward to visiting friends in Flushing and Oyster Bay. They also will be spending some time in Vineland, N.J., Atlantic City, Philadelphia and Washington on their delightful vacation.

Mr. and Mrs. Lorel Harvey of 453 Manzanita are staying at home until later in the summer, but their three children are mighty busy. Ten-year old Lorie is in Sunnyside now, visiting her aunt and uncle, Mr. and Mrs. Ray Harvey, and having a wonderful time helping to take care of their brand new baby, Lisa is

L. A. County Fair Sept 18 - Oct. 4

You see them everywhere—signs. Signs about everything under the sun. But you probably see more signs about the Los Angeles County Fair, Sept. 18-Oct. 4, than you do any other kind.

Because, at this time of the year, there are 10,903 signs all concerning the world's most exciting exposition, and all in public view around Southern California.

Signs under Doug Barclay's care include the small ones seen on the freeways by the "bumper to bumper" commuters, traffic directional race track signs, building signs and "no parking" signs.

Follow the advice of the 10,903 signs and have a wonderful time enjoying the 10,903 exciting things to see and do at the 37th annual exposition.

Foothill Creative Arts Group Plan Open Houses To Exhibit Summer Work

The Foothill Creative Arts Group will be having two final Open Houses for their Summer Session Classes. One to be held on Friday, July 24 from 8 to 10 p.m. at the Adobe, 57 E. Montecito St., Sierra Madre, and the other on Thursday, July 30 at 7 p.m. at 310 E. Highland, Sierra Madre.

The Friday exhibit will feature the work of adults as well as children, and during the entire evening the artists who have been painting regularly in the "Artists' Workshop" under the leadership of Betty McAllister, will be at their easels working on portraits of a costumed model.

The work of the students from all classes will be shown and include Lannea

Third Session of Swim Classes At Arcadia YWCA

The third session of the Arcadia YWCA summer swim classes will begin Monday, July 27, continuing through August 7, and the next and last session of the summer is scheduled for August 10 through August 21.

The classes meet Monday through Friday for each two week session. By popular demand more classes have been opened for the girls and boys between the ages of 4 through 12 years olds.

All YWCA members are invited to participate in plunge time 12 to 12:45, Monday through Friday. A small fee is charged for this time.

All classes have a small enrollment. Enroll now for the class of your choice or more information about the classes may be obtained by calling the YWCA office 447-7500 between the hours of 10 a.m. and 2 p.m. Monday through Friday.

This is a United Way Agency.

Dr. Irma Glen Will Present Tuition Class

Dr. Irma Glen will present a four-week tuition class in "Living Religions" beginning Tuesday evening, July 28 at 8 o'clock at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia. Dr. Glen has spent many years of her life studying the oneness of religions and the Power of God uniting them all.

She will tell of her contacts with great religious leaders during her recent world travels. Having worshipped and studied in various temples and shrines throughout the world, she is well qualified to present Hinduism, the Upanishads, Buddhism (including Zen), Sufism, Taoism and other Eastern Religions. Christianity, the new Age Religion, will be presented the last Tuesday night. Dr. Glen will play music characteristic of the religions she is teaching each night for 15 minutes before the class. This course is open to the public. Call HI 6-8206 for further information. Enrollment is now being taken.

Republican Club To Have Rummage Sale In Arcadia

Initiating a "first" within the city limits, the Arcadia Republican Women's Club will hold a rummage sale in the Arcade Building at 36 E. Huntington Drive, Arcadia, on Friday and Saturday, July 24 and 25. The sale will be in progress from 9 a.m. to 5 p.m. on both days, staffed by club members.

Mrs. George Galloway, chairman of the fund raising event, and her committee, have inspected each item to be sure that everything offered is clean, and usable. Donations have been pouring in for the past several months, affording an unsurpassed variety, including appliances, furniture, household goods, and clothing for all members of the family, and all seasons of the year.

Club president, Mrs. Easton Rhodes, states that this will be a "best ever" rummage sale with top quality merchandise at rock-bottom prices.

New Officers Of Employees Association

The Sierra Madre City Employees Association held its annual election of officers on Wednesday, June 24. The new officers are as follows:

President, Bert Embree (second term), Fire Marshal. Vice president, Doug Tucker, Police Department. Secretary, Gloria Hinshaw, Library.

Treasurer, Dolores A. Thill, Water Department.

Following the election, other business was discussed. The bicycle racks are made and are ready to be placed in the business area just as soon as areas are designated by the Chief of Police.

Guest speaker at this meeting was Ray Shackelford of the Los Angeles County Fire Department, who gave a talk on rescue and life saving.

Kiwanians Hear Speaker Stress Their Objectives

The local Kiwanis Club presented Past President and present Secretary Henry A. Nelson as the speaker this week.

Nelson's talk was entitled "Work—A Way to Happiness," and stressed the point that happiness is not to be found in idleness, nor in the welfare state which only serves to stifle initiative.

He pointed out that the Kiwanis slogan, "We Build," and this year's objective, "A Call to Personal Service," place upon every Kiwanian an obligation to install in our youths the desire to keep America great and strong; to further private enterprise; and to prepare themselves for useful work of their liking in whatever trade, business or profession they may dedicate their lives to.

On exhibit will be paintings, drawings, box animals, clay figures, collages done by the children. Several short puppet shows with scripts written by the children will be presented with the puppets designed and made by the young students. Indian games were played during the session and stories of Indian life dramatized. A short dramatic interpretation will be given during the evening. Included also will be a brief creative dance demonstration.

Parents, relatives and their guests are invited to attend, but urged to arrive promptly in order to make it possible to conclude the program before dark. Those in attendance should plan to bring blankets or pillows for seating on the lawn.

The creative playtime, under the direction of Kathy Snow will also have art work on display. These are children 4, 5 and 6 years of age who have been in morning classes, 1, 2 or 3 days a week.

All classes will be over by July 31 except for Robert Goldberg's guitar groups, which will continue for an additional week.

Coordinator for the summer session has been Mrs. Kurt Gunther. Information regarding the Creative Arts Group may be obtained by calling Mary Tumilty, the executive secretary, at 356-1450 between the hours of 9 a.m. and noon on Mondays through Thursdays.

Classes for the fall session will open in October with brochures coming out in September. Anyone interested in teaching or taking classes please call the above number. A variety of subjects will be taught and with sufficient requests specific classes may be opened.

The sponsors for the Creative Arts Group, under the chairmanship of Mrs. Craig Williams, are busy planning their silk screened Christmas card workshops. Designs are all original and will be available in the fall. A special showing will be presented at the fall opening of La Tienda, the unique gift shop, run by the sponsors, handling original items by Creative Arts Group teachers and students, as well as other local artists.

Hastings Oak Garden Apartments

yon stone and redwood fencing add to the rustic atmosphere. Oversized garden patios (some as large as 15"x17") for relaxing and entertaining, are protected by high redwood fencing. Inside each patio is a planting area which tenants may landscape to suit their individual taste.

Brick fireplaces dominate the living rooms and the neutral carpeting and draperies allow tenants to use their choice of furnishings. King-size kitchens include Tappan electric range and oven, large pantries, ceramic tile counters and natural birch cabinets. A storage cabinet adjoining the sink can be removed to accommodate a portable dishwasher.

In the 2 and 3 bedroom studio apartments, the master bedroom suite has sliding glass doors to an enclosed balcony, large closets, dressing room with ceiling height mirror and private bath. Another bath adjoins the auxiliary bedrooms.

Each apartment is wrapped with a thick blanket of insulation that deadens

sound transition between units and reduces the amount of heating and cooling required. Studio apartment floors are constructed to muffle all foot traffic noises.

Included among the many extras are parking facilities for two cars per unit, fenced and fully equipped area for "visiting" children, heated pool, air conditioning, enclosed barbecue and wet bar recreation room, shuffleboard, laundry facilities, central TV antenna system, large locked storage rooms, some units have front and rear patios as well as balcony.

You and Your Neighbor . . . Vacation Plans

by Pauline

A delightful two week vacation at Lake Arrowhead is being planned by Ann and Jim Burke, co-owners of the Highlander. Not only are they looking forward to staying in their trailer there, but even more, they'll have the whole family together again. Their son Bob will be back by then, from his Army summer reserve training at Fort Lewis, Washington. Bud, is in the hospital now with a broken ankle, but will be up and around in time for the trip, and their third son, Bill, will be home from Peris, California, where he has been working for a potato broker. The Burkes' daughter, Bonnie, is a champion water skier, so she'll be loving every minute on the lake.

Mr. and Mrs. E. R. Baird of 585 Sierra Madre, are thoroughly enjoying their two house guests, their nieces, Francis Houndstone from La Mirada, and Penny Smith from Vista. Francis recently graduated from UCLA, and Penny is a student at Wheaton College. The girls are also spending a lot of time with their grandmother, Mrs. Mabel Moote of the same address.

Big Pine Lodge in the High Sierras was the delightful vacation spot chosen by Hazel and Lee Anderson of Arcadia recently. With their friends, Bob and Beth Dean, also of Arcadia, and the Dean children, Debbie and Ricky, they spent five days of very fine trout fishing there. Later in the summer, the Andersons will be driving to Canada. They plan to stop in Yellowstone Park, Lake Louise, and various other places, where ever the fishing might be good.

A trip to La Jolla is in store later in the summer for Mr. and Mrs. Paul Adams of 220 E. Sierra Madre. They will be going down to attend the races at Del Mar.

Watson Defends Position To Supervisors

years some elected officials have been playing the old tax rate game. But as I said before I took office, when I took office, and again last July when they tried to put me in the middle, I will not play that game.

"I do not set budgets. I do not set tax rates. That's what Supervisors are elected to do.

"I am the Assessor. I have a two-fold responsibility:

"1. To find the market value of each piece of taxable property in the County.

"2. To apply a uniform ratio of assessment to all such market values.

"When I have entered each piece of taxable property on the Assessment Roll, my job is done. How the totals add up is something over which I have no control.

"Furthermore, how the totals add up does not decide how much a property owner is going to pay in taxes. The size of his tax bill is determined by how much this Board chooses to spend.

"The idea behind the 'tax rate game' is that you don't

Unique New Bank Service At Security

A unique and important service to promote the advantages of renting safe deposit boxes has been introduced to the local area by Security First National Bank.

In making the announcement, Arnold Sundali, manager of Security Bank's Foothill and Rosemead branch, said that, starting this week, free copies of important documents will be made available to any person who rents a safe deposit box.

Aimed at bringing both safety and convenience to the banking public, the free copying service will enable the customer to have his paper protected and, at the same time, have duplicates handy in his own home.

The unusual service, a Southern California "first," will be offered for a limited time only, Sundali said. The branch is located at 3555 E. Foothill Boulevard, Pasadena.

Sundali added: "We have found that many people frequently have occasion to refer to birth certificates, veteran's papers, or other such documents in their homes.

"Security's free copying service will make it possible for the customer to keep the originals in the bank's safe deposit box while duplicates can quickly be referred to at home."

have to raise the tax rate to bring in more revenue if you can depend on the Assessor for a guaranteed increase in assessed values every year. I can promise the taxpayers that I am one Assessor who will never over-value their property just to make them pay more taxes.

"The crux of the problem facing the Board of Supervisors is that they approved a record high budget that is up over \$80,000,000 in a year when serious adjustments had to be made on the assessment roll.

"When the Board adopted its budget it presumably felt it was a sound budget. The Board should now have the courage to stand behind that decision and be honest with the taxpayers.

"The Board was well aware that the major ratio adjustment had to be made this year — and the Board knew why the adjustment had to be made. The Courts had ruled that all property must be assessed at the same ratio. That meant we had to establish the ratio on business personal property at the same level as that on all other property — which, as the gentlemen of the Board all knew, meant a substantial cut. Though I had proposed to do this gradually, County Counsel ruled that a gradual reduction was illegal. Consequently we have had to complete the adjustment in one step this year, as I announced last September. No one has ever come forward with any other solution.

"As the Board well knows, I did not create the ratio problem. I inherited it. I also inherited \$191 million in actual and potential litigation based on the ratio question. Had corrective action not been taken, the County could have been bankrupted by Court-awarded tax refunds.

"The County is fortunate that the major ratio adjustment was made in a record growth year. Insinuations by Board members that this growth is not reflected on the Roll are ridiculous. You have Mr. Hollinger's report on the correlation between building permits and the assessed value of improvements on the Roll.

"The real measure of my confidence in the equity of the assessments made by my department and under my direction was apparent when I urged that the entire County assessment roll be published for everyone to see.

"I am proud of the assessment roll that I will turn over this year. It is legally sound. It is morally sound. It is truly equalized. This assessment roll cannot be impeached."

Work Together Says Bonelli

Supervisor Frank G. Bonelli made a statement July 14 during the appearance of the County Assessor before the Board to explain the status of the assessment roll for the 1964-65 fiscal year.

"Most emphatically, the Board of Supervisors and the County Assessor are integral parts of a governmental corporation — the County of Los Angeles. Our employer is the county taxpayer, and we in County government are all eating out of a common trough.

Whether we are elected or hired, the first and most sacred obligation is to run this County government corporation as any successful business would be run in the best interest of the stockholders — the people of our County.

"Is it too much for the Board of Supervisors to ask the County Assessor what we might anticipate, due to new construction, and what his estimate might be on the assessed valuation increase for the ensuing year?"

"The Assessor can say that it is none of our business and what the tax rate will be is entirely the responsibility of the Board of Supervisors. Granted, but is this any way to run a corporation? Cannot the stockholders' best interest be served by having the County departments cooperate and apprise each other where we are heading and what the business climate and outlook may be for the ensuing year.

"Accordingly, after

lengthy deliberations on the budget to make reductions, we made considerable cuts in it. At this point in our hearings, because we had heard rumors that the assessment roll might reflect a 3 or 3½ per cent increase, the Assessor was asked to come before the Board, which he did. He stated that we might expect a 3 per cent assessment roll increase. Then, only two weeks later, we are told that trade fixture assessments were in error included twice in the computations and that there will be no increase.

"As officers of this corporation, we are legally obligated to scrutinize the operation of the County Assessor in the interest of assuring that fair and equitable assessment is applicable to all, with no lack of equalization amongst small property home owners and commercial and industrial properties. Each should fairly and equitably share in the overall burden."

"The Assessor can say that it is none of our business and what the tax rate will be is entirely the responsibility of the Board of Supervisors. Granted, but is this any way to run a corporation? Cannot the stockholders' best interest be served by having the County departments cooperate and apprise each other where we are heading and what the business climate and outlook may be for the ensuing year.

"Accordingly, after

Eaton Canyon Golf Scores

Eaton Canyon Women's Golf Club, held a tournament, counting the scores, only on holes beginning with "T" and "F." The results are:

A flight, Fran Ross, 28½; Flo Temmesfeld, 29; Mary Turner, 30½.

B flight, De Dee Dager, 31½; Marie Appleford, 31½; Doris Pooler, 31½.

Garden Needs SALE

AT LAST! BE FREE FROM THE ENDLESS TASK OF EDGING. NOW EDGE CHEMICALLY WITH

EZ EDGE

CHEMICAL EDGING TAPE IT REALLY WORKS

- AROUND LAWNS AND FLOWER BEDS
- ADJACENT TO BLOCK WALLS
- UNDER CHAIN LINK AND PICKET FENCES
- ALONG CURBING, SIDEWALKS AND PATIOS

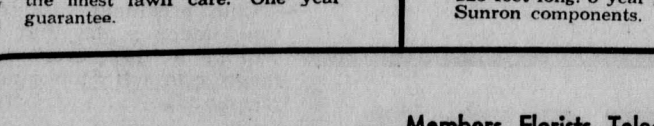

60 Feet \$1.98

MONEY BACK GUARANTEE

\$12.95

New! Advanced design head and arms delivers up to 630 gallons per hour on 30 pounds pressure — you finish sprinkling quicker. Super sensitive head automatically compensates for drops in water pressure. Fine spray opening assures the most even distribution of water. Eliminates dry spots for the finest lawn care. One year guarantee.

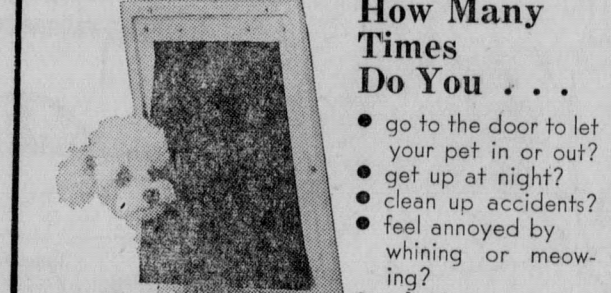

\$34.95

Relax! It moves itself! No need to walk on wet grass to change locations. Just set it and forget it — always travels at the right speed for thorough watering and shuts off automatically. Sprinkles a strip from 5 to 50 feet wide and up to 125 feet long. 5 year guarantee on Sunbeam components.

Now we have the finest precision quality stainless steel razor blade.

Limited supply.

JOHNSON PET-DOOR is the answer!

To insure the best service for constant use a special rubber was selected for its toughness, long life and weather-resistant qualities. Complete safety for your pet is assured because there are NO RIGID swinging parts . . . only flexible rubber. Yet this door can easily be installed in 30 minutes in any flush door panel. Permanent magnets keep door closed. IT'S SAFE! INSECT PROOF! DRAFT PROOF!

How Many Times Do You . . .

- go to the door to let your pet in or out?
- get up at night?
- clean up accidents?
- feel annoyed by whining or meowing?
- refinish or repaint scratched doors?
